4.3 Evaluation : Some Highlights

NIOS has devised a suitable method of evaluation considering the practical nature of vocational courses where more emphasis is on evaluation of skills acquired during the course of study. In many cases, component of internal assessment has also been introduced to ensure continuous evaluation. Thus, there may be three components of evaluation:

1. Practical Examination
2. Theory Examination
3. Internal Assessment (if any)

Practical and Theory Examinations

Both the Practical and the Theory Examinations are conducted twice in a year in April–May and in October–November. Practical Examinations are organized at your AVI/SAIED only.

Internal Assessment

NIOS has a provision of Internal Assessment in several courses as detailed in Table-II from pages 19 to 24. This is based on Periodical Tests, Viva-Voce, Assignments, Projects, etc. It will be conducted by your AVI/SAIED. Passing in Internal Assessment, wherever applicable, is a necessary condition for passing the examination.

Results are declared approximately eight weeks after the last paper of the public Examination.

The details about the duration of Theory and Practical examinations and the maximum marks for each paper are given in Table II from pages 19 to 24.
